ANIMALIA

Graeme Base

Within the pages of this book
You may discover, if you look
Beyond the spell of written words,
A hidden land of beasts and birds.

For many things are 'of a kind',
And those with keenest eyes will find
A thousand things, or maybe more —
It's up to you to keep the score.

A final word before we go;
There's one more thing you ought to know:
In Animalia, you see,
It's possible you might find *me*.
